**Microsoft Excel - Table**

The screenshot shows a Microsoft Excel window with a title bar 'Microsoft Excel - Table'. The menu bar includes File, Edit, View, Insert, Format, Tools, Data, Window, and Help. The toolbar has icons for Open, Save, Print, and various data manipulation tools. The spreadsheet area has a header row 'Personnel on duty' and 22 data rows. The columns are labeled 'Meat', 'Starch', and 'Vege'. The data includes various parameters like Position, Product Origin, Inward Goods Temperature, Box Code, Date, Entry into Process, Core Temperature, Time, and Arrival Chiller, along with their corresponding values. Row 22 is explicitly labeled 'Personnel on duty' again.
